Kaydee, Mardee and Will Reich

Thank you Adron and Jami,

This young couple joined our operation and became family 18months ago. Adron is dedicated and hard working we are so blessed to have him and his wife.

Thank you both for all you do.

Dear Cattlemen,

Welcome to our 16th Angus Production Sale and open house. This last year has been a tremendous year to be in the cattle business. The market looks to be strong for the next few years.

We are very excited about this year's bull offering. We added two new AI sires - SAV Resource 1441 and SAV Priority 7283. We think you'll appreciate both new sire groups.

The emphasis of our program has always been to produce females that will have a moderate, mature frame size with the capacity and mothering ability to excel in a Northern Plains environment. A cow in our operation needs to be able to hold her condition while consistently weaning off a heavy calf without the help of a creep feeder. Fertility, udder quality, natural thickness, good disposition and sound structure are our high priority. These cattle are bred to be problem free for our commercial customers as well as our own operation. We continue to have strict culling practices, an extensive AI program and performance testing. I feel our herd continues to improve.

The bulls are developed in a large area on a high roughage ration to ensure long term soundness. Our bulls are guaranteed to be breeders. We stand behind them 100%. If you have any problems with our bulls, please let us know about it before Sept. 30, 2015, so we can work out a solution. We know our success is based on complete customer satisfaction.

We thank you for your support and are grateful for the confidence you've placed in our program. We encourage you to visit the ranch and inspect the bulls prior to sale day. If you have any questions about the bulls, please feel free to contact us.

Sincerely,

Mardee Reich

16th Annual Production Sale

REICH ANGUS

Sat., Feb. 21 • 1 p.m. CST • Zap, N.D.

Time: The sale will start at 1 p.m. CST. (Mercer County is on Central Time.)

Location: Sale will be held at the ranch 4½ miles south and ½ mile east of Zap, N.D., on County Road 13.

Auctioneer: Shane Wolff, Golden Valley, N.D., (701) 983-4573

Sale Day Phone Numbers:

- (701) 873-5155
- (701) 873-2551
- (701) 873-5454
- (701) 873-4582

FREE Wintering and Delivery: The bulls will be kept at no charge until April 15, 2015. At that time, the bulls will be semen tested and delivered free in North Dakota. Bring a trailer on sale day and deduct \$250 per bull. Free keep and delivery does not apply to the females sold. The females will be vet-checked safe with calf by a competent licensed veterinarian prior to sale day, however, we do not guarantee a live calf.

Heifer Bulls: The bulls we recommend to use on heifers are noted next to the pedigrees. This is based on EPDs, personal judgment, birth weight, observation at birth and past experience of the cow or bull. This does not mean you will not have to pull any calves, but hopefully most will come unassisted. As cattle producers, you know what works in your program and may be able to use bulls other than those recommended.

Volume Discount: Volume discount of \$25 per bull on two or more bulls.

Sale Day: Scrotal measurements, final weights, average daily gain and carcass ultrasound will be available sale day.

Semen Interests: Reich Angus has the right to retain 1/3 semen interest in all bulls. Full possession and salvage value sells on all bulls.

Lunch: Lunch & refreshments will be available at noon during the open house.

Liability: The Mardee Reich family assumes no liability for accidents or injuries that occur on the sale premises.
